Sir:

Request for Status Indication

The application had been on appeal and applicants requested/request to withdraw the case from appeal for continued examination. The RCE filed February 18, 2005 erroneously omitted a response. The RCE, however, included a request for suspension which was granted. An amendment was filed April 7, 2005. According to the PAIR system, the application has been to the examining group. Applicants request a confirmation of pending status and that the requested continued examination is underway.

If required, please charge any further extension of time fee or other fee to Deposit Account 02-0184. In particular, if it is determined that the RCE was only completed by the April 7 amendment (or hereby complete) and that an extension was/is required, please so charge the extension fee or other required fee.

Respectfully submitted,
